

About The College

Rajah Serfoji Government was established in 1995 by the Rotary Club of Thanjavur. Later it was taken over by the government of Tamilnadu during 1967. The College is located in the Prime area of Thanjavur. It is adjacent to the new bus stand. It is well connected by road and rails. The college affiliated with Bharathidasan University, Tiruchirappalli and acquired autonomous status in 2004. The College is blooming with 3000 students in 11 UG & 8 PG courses. About 200 faculty members are involved in the teaching and learning process. The National Assessment and Accredital Council (NAAC) team visited the college in January 2016, and the college was accredited with three-star status A.

About the ICSSR

Indian Council of Social Science Research (ICSSR) is a council in India which promotes research in the field of social sciences. It was established in 1969 as an autonomous body under Government of India with their office in New Delhi. In the same year, it started a division called National Social Science Documentation Centre (NASSDOC), whose primary aim is to provide library and information support services. The organization supports a network of 29 research institutes, of which 24 are directly funded by ICSSR and five are recognized by ICSSR.

About the TISSL International - Belgium

TISSL international was established in the year 1995 in the wake of higher education surge forged in that period. The primary aim of TISSL international as it emerges as a service provider for Research and Corporate Consultancy. It was deemed prudent to explore opportunities available in the areas of higher education, Training & Development, Research Activities, Research Publications, International Journals and service Orientation to the Academic community. TISSL International - South Asia is the recent brain child of TISSL International -Belgium, covering the areas of India, Sri Lanka, Nepal & Bhutan, its major concentration towards sustainable development of south Asian regions. Currently its focus on poverty eradication, Economic Development, Social & Health Issues, Tourism, Education, Research & Publication activities and also more important to the topical issues in the particular regions.
